

We offer our clients an array of specialized services that are specifically unique to Liberty Insurance. The point of these enhanced services is to help you navigate any and all aspects of the insurance process, from beginning to end. In addition to all our core services, clients are provided with the following:

ADMINISTRATIVE MANAGEMENT

- Policy placement
- Coordination of services provided by all vendors
- Oversight and verification of audits
- Selection of outsourced safety consultants
- Certificates of Insurance
- ISNetworld Insurance Administration

RISK MANAGEMENT & SAFETY

- Contract reviews
- Experience Modification Factors – Analysis, verification & project future modifications
- Coordination and hiring of an independent safety consultant *(used to supplement insurance carrier services.)*
- Jobsite walk-through risk assessment
- Inspection checklist and presentation of findings, inclusive of independent safety consultant, paid for by Liberty
- Silica Awareness Training *(Competent Person) conducted by an independent safety consultant (Loss Control Rep).*
- Silica Exposure Control Plan *(initial generic version for Insured) developed by Loss Control Rep.*
- Online Defensive Driving Course *(National Safety Council Course)*
- CPR / First Aid / AED training
